Prayer of Commitment to Service

Lord I pray that through the power of the Holy Spirit you will empower me to use my gifts to work in building a model ministry at Progressive Baptist Church. I acknowledge the importance of this

ministry to the church, the membership; children and adults to maintain continuity and security in their lives. Give me Lord, the committed spirit and time to dedicate myself to this work for a period of two years. Lord, give me the time to serve as scheduled and the accountability to contact those over me when I am unable to serve, so that a substitute can be in place. I pray that I make myself available to attend staff meetings and in service trainings to constantly improve on my knowledge and understanding of the mission and tasks set before me.

Direct me Lord to evaluate myself daily as to my effectiveness. At the end of the two years direct me to consider recommitment or the passing on of this ministry so that in all that is done, you are glorified.

Thank you for the mission and for using me in this work, in Jesus Name. Amen.

IMPORTANT: I understand that if I am selected to serve in a position, I will be subject to a background check.
